Greetings, Dahlia Friends

Another season has rolled around and once again we take pleasure in presenting you our dahlia catalog and wish to thank our many customers for their liberal patronage in 1939.

Our Dahlia Gardens are the oldest in the State and with our favorable soil and climatic conditions we are able to furnish you with as reliable, true to name roots as can be grown anywhere.

VISITORS WELCOME

We wish to extend a cordial invitation to anyone interested in dahlias to visit our gardens from July 'till October where our large planting makes a colorful display, never to be forgotten.

Yours very sincerely,

MR. and MRS. C. W. TRYON, Props.

Our 1940 Introductions

SUN LITE

In offering the following new dahlias we have priced them low enough to meet any purse, but assure you that the quality compares favorably with dahlias that have been offered in the past at two to three times the money.

CREAM LADY (Lee-Tryon)—Cactus. Blooms 9 inches by 5 inches. Plants medium tall. Very fine incurving petals which curl forward much like the very outstanding variety "Coral Lady." Cream Lady is a beautiful cream color. A profuse bloomer and it has strong stems which hold the blooms erect above the foliage at all times. Full tight centers, good habits. If you like the cactus type you should grow this fine dahlia. Won 1st Prize for best cactus at the Washington Dahlia Show at Tacoma, also won first prize (Sweepstake) for the best undisseminated new Dahlia at the Portland, Oregon show in 1939. Roots, net ----- \$5.00

SUNLITE (Lee-Tryon)—Semi-Cactus. A fine petaled semi-cactus that would be classed as a cactus by some growers. Color is a clear lemon yellow, blooms 8 to 9 inches by 5 inches deep, extra long stems that hold the blooms perfectly. A prolific bloomer and a good keeper. Won first prize at Washington Dahlia Society Show and Capitol Dahlia Society Show in 1937 and was not entered for competition since. Roots, net ----- \$5.00

GIANT SUNBEAM (Moss 1939) Inf. Dec. A true giant with blooms 12 inches or more by 8 inches deep. Petals wave and fall back to the stem making it look like a giant crysanthemum. A Sweepstake and Honor Roll Dahlia. Roots----- \$7.50

WESTERN SUN

New and Standard Dahlias

Notice—The letters following the name indicate the type and those with our name (Lee) are our own introductions.

Cactus, Cac.; Semi-Cactus, S. C.; Informal Decorative, I. D.; Formal Decorative, F. D.; Peony, P.; Show or Ball, Ball. Those preceded by * are Washington introductions.

A. D. LAVONI—Ball. A pure soft pink. Size about 5 inches ----- **50c**

ADORABLE—I. D. On the 1935 Honor Roll and won many prizes in the east and is also a Certificate of Merit winner. Blooms are very large and full and stems are splendid. Color is a very beautiful peach pink with a blend of gold. A very fine variety ----- **50c**

***AIR MAIL**—I. D. Blooms very large, on strong cane-like stems which hold the big blooms in the air. Fine cut flower. Color pink tinted with lavender----- **50c**

AMELIA EARHART—S. C. Giant blooms are held erect above the foliage on strong stems. Fine autumn coloring or apricot buff.----- **50c**

AMERICA'S SWEETHEART—I. D. An immense variety which was one of the outstanding 1935 introductions. Color is clear, pure yellow. Blooms very full and petals fall back to the stem, like a huge Chrysanthemum. The blooms are held almost on top of the absolutely stiff stems. An outstanding prize winner and can be grown to 12 inches across--- **\$1.00**

AMERICAN TRIUMPH—Cac. Large rich bright red, good stems----- **50c**

ANNA MAY WONG—I. D. A bright red with yellow petaloïds at the base of each petal which makes the flower very full. Size 10 inches by 6 inches deep. Stems good and growing habits fine. Roots **\$1.00**

AZURA—I. D. A fine deep lavender that grows to 12 inches or more by 5 inches deep. Excellent stems and healthy foliage. Bush 5½ feet. A real prize winner. Roots ----- **\$1.00**

AUDREY AMES—F. D. Color, old rose, good stems and habits. A good one that is different. Medium large. Roots--- **50c**

BAERNE—S. C. Imported from Holland. A very lovely deep coral pink, medium size, profuse blooming, splendid stems. Wonderful cut flower ----- **50c**

BALLEGO'S SURPRISE—S. C. The most beautiful of all white Dahlias. The formation is not unlike the now very popular Frau O. Bracht, of which it is a seedling. The blooms are a trifle larger than the parent, and stems a little better. One of the most prolific bloomers, and fine keeping qualities. Roots--- **\$1.00**

BANDOENG—I. D. Fine blending of amber and gold with dark mahogany center; the buds are very dark colored; free flowering, foliage and stem first class. A new Dahlia from Holland.----- **\$2.50**

BARELLA — Cac. A beautiful lavender cactus with long stiff stems that hold the blooms perfectly erect under all conditions. Is an excellent keeper and a real addition to the cactus family. A new Australian variety that we are very enthusiastic about. Roots----- **\$2.50**

BLACK DIAMOND—Ball. Large, dark velvety red, good stems ----- **25c**

BLUE RIVER—F. D. Very large, bright mauve with decided blue shading. Stems splendid, profuse blooming ----- **50c**

BOBBIE DEAN—F. D. Color is a soft apricot orange with the blooms of Jersey's Beauty type. A good cut flower.--- **50c**

CADET—S. C. Very large, creamy yellow, form of Satan. Strong, upright stems **50c**

CHARLES L. MASTICK—F. D. A bright orange color with a grenadine pink reverse which suffuses and brightens the flower. This Dahlia has perfect formation, size, stem, and is a most excellent keeper. Winner of the American Home Achievement Medal and on two Honor Rolls. Roots ----- **\$1.00**

CLARA CARDER—I. D. Originated in New Zealand. Won First Prize for best Foreign Decorative, Sweepstake for best Informal Decorative, and Grand Sweepstake for most perfect Dahlia in the Washington Show at Tacoma, 1939. Extremely large size, color a lovely cyclamen pink, beautiful form, petals slightly waving. We highly recommend this Dahlia. Our stock of this Dahlia is very high quality. **75c**

CLARA CLEMENS — Ball. Large, deep, rich red tipped with pure white. Stems strong and erect ----- **50c**

CLARA SCOTT—S. C. A beautiful real pink with deep full center and fine stems. Extremely large size and fine form. This is one of the most striking new Australian Dahlias that we have ever grown and should be a prize winner in its class. We highly recommend this one for exhibition purposes. Roots----- **\$2.50**

CORAL LADY—Cactus. This was the most talked of Dahlia at the Western Washington Fair, in 1939 with the result that advance orders have practically exhausted our supply. Very fine incurving petals which curl and interlace over the center, blooms full, good depth and full centers. Color is a very lovely clear coral without shading. This Dahlia's only fault is that stems are wiry and not strong enough to hold its blooms erect. The public has demanded that this Dahlia be put on the market because of its unusual beauty. It won two first prizes and one second as the best undisseminated cactus at the shows in 1937. Stock limited. Plants, net ----- **\$1.00**

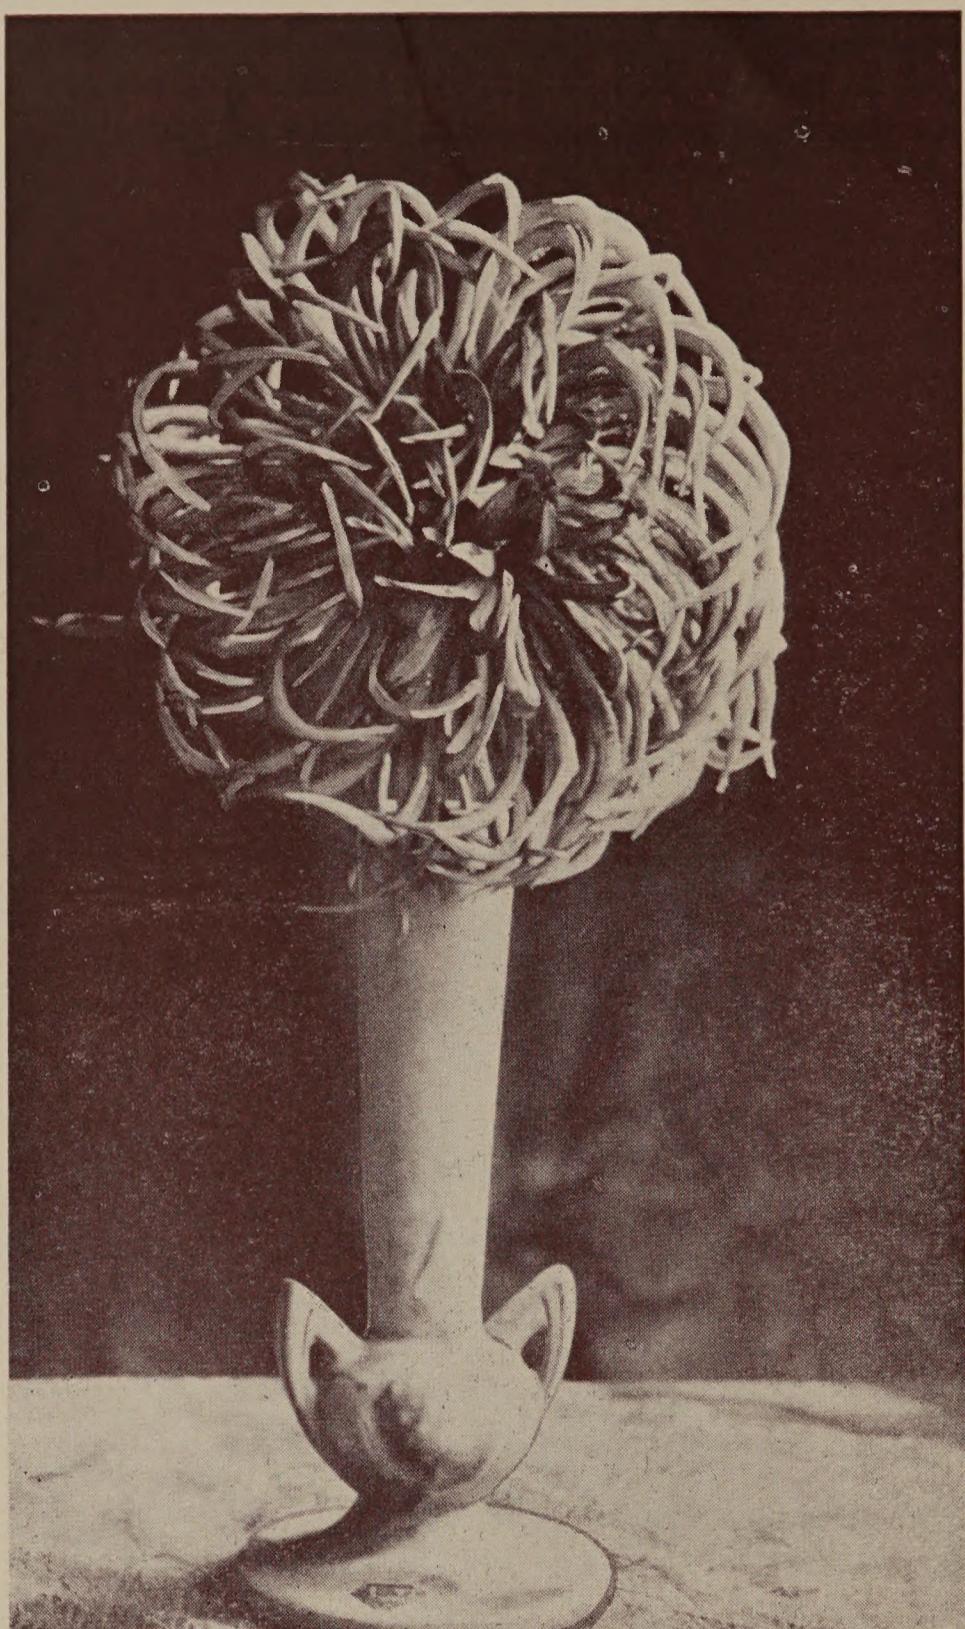

CREAM OF GOLD — I. D. Very large, creamy yellow shading of gold. Strong, erect stems. Very fine----- **\$1.00**

CORALLINA—S. C. Bloom 10x4, bush 4½ ft. Rather unusual in coloring, a soft crimson carmine with reverse of petals Tyrian rose. To add to its attractiveness the petals curl and twist. Stems and bush growth are strong and healthy. Roots ----- **50c**

CHINESE LANTERN—I. D. Bloom 9x4½, bush 4½ ft. Color, soft scarlet with reverse of orange yellow. A healthy grower, blooms early. Roots----- **50c**

DARCY SAINSBURY—F. D. One of the finest whites we ever grew. This Dahlia came from Australia. This is a champion, without exaggerating. The immense blooms are erect on cane-like stems, facing sideways. Height of plants 4½ feet. Roots----- **\$2.00**

**CORAL LADY**

D. JUBILYNE—I. D. A very unusual shade of deep old rose with golden sheen, very large, splendid stems. Limited stock. **50c**

DAILY MAIL—I. D. One of the largest Dahlias grown, and stems are long and always hold the blooms erect. Color deep yellow blending to golden orange **50c**

DOREEN—S. C. One of the grandest Dahlias we have ever grown in the autumn coloring. A rich golden brown, blended with orange. Blooms extremely large, long stems holding the big blooms perfectly erect at all times, well above the foliage. Blooms very full and deep, lovely form. We very highly recommend this wonderful Australian Dahlia **\$2.00**

DIRECTOR PLUMCOCO—I. D. Blooms 10 inches and of great depth. It created a sensation in Europe and scored 98 out of a possible 100 points at the Mignon trial grounds in France, which are identical to those of our own at Storrs. Also won more cups and awards than any other Dahlia was ever known to win in a single season. The blooms are extremely full and nearly as deep as it is wide, color rich old gold shaded brown without any other tints. The blooms last a long time on the plant and in water, and are held

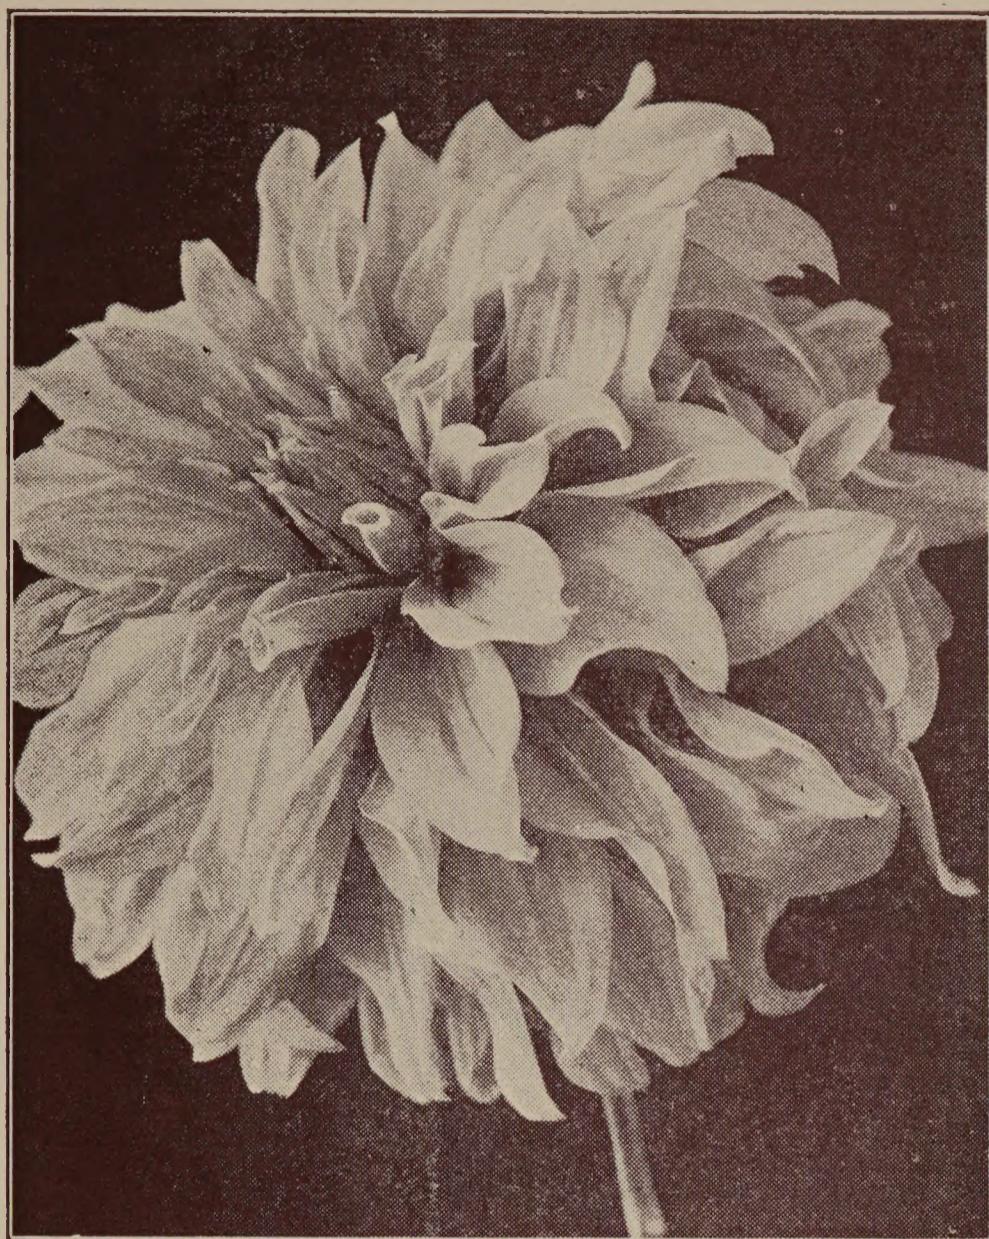

at a forty-five degree angle on strong cane-like stems well above the foliage. Roots **\$2.50**

DISCOVERY—I. D. A very large flower, color a striking deep purpleish red that attracts attention above everything. It needs disbudding to lengthen the stems. Roots **\$1.00**

DREAM GIRL (Lee, 1937). Bloom 11x6, bush 5 ft. This Dahlia has won Achievement Medals and other awards in the west, with reports of good behavior in the mid west and south. Color, salmon rose tipped lightly with gold. It is a combination of soft pastels which are appreciated by those who like pale colors. Roots **\$1.50**

DULCENIA—Cac. (Holland). One of the brightest of reds, and also one of the best in every way. The bushes are rather low, but always covered with six to seven-inch blooms. Very desirable **50c**

EDGAR JACKSON — Cac. Clear salmon coral, a very beautiful color and lovely formation of incurving petals. Very profuse blooming and stems are strong and erect. Fine cut flower **50c**

**GOLDEN SWEEPSTAKE**

EHRENPREISS—S. C. Imported. Very lovely shade of salmon-rose, medium size, early and free blooming, strong erect stems, splendid cut flower-----50c

ELLISA LANDI—F. D. Beautiful shade of salmon-orange, large blooms, good stems. Price -----50c

EMINENCE — F. D. (French). A giant pleasing red. A very sturdy grower and free bloomer. Plant grows to an average of 6 feet, with a wonderful branching habit. Roots -----\$2.00

FAR WEST—A formal decorative with large flowers, having its petals fold back to the stem, giving it quite a compact appearance. The petals are of good substance and the blooms will last for days when cut. The flowers are a true pink and sets facing on a long, stiff stem. Bushes are medium in height. Scored 83E at East Lansing Trial Gardens. Roots -----\$2.50
